

## Jordan:Insurance federation publishes engineering insurance guide

31 May 2020

The Training Department of the Jordan Insurance Federation (JIF), in cooperation with the fire, general accidents and engineering insurance committee, has issued a guide on engineering insurance.

Mr Maher Al-Hussein, director of JIF, said that the document, entitled “Your Guide to Engineering Insurance”, covered topics such as contractor risk insurance, installation risk insurance, malfunction-damage-machines insurance, boiler and pressure vessel insurance, etc, reported *Al Mal*.

The guide was published as part of the JIF's efforts to increase insurance awareness. Published guides are available on the association's website.

The board of directors of the JIF stresses the importance of the role of technical committees which study technical issues in various branches of insurance, in addition to important developments in insurance, and focus on educating those who work in the insurance sector.
